

FAST: August 12-14

Dear Friend of S.A., intercessor, small group, and those who are called to serve the Government Mountain in our nation.

We invite you to partake of the fast for South Africa from August 19-21.

Why are we fasting?

Our nation is in a crisis, God spoke clearly to Janet Hollis to call this fast, after concurring with other prophets in the land. God showed them two main issues to fast for which are as follows:

1. Our Government – Govern the country

Pray that God would rend the Heavens over S.A. –
Isaiah 64: 1

That God would move speedily to break the impasse between our President and the Public Protector

LET US **PETITION** OUR GOD DO THE FOLLOWING:

- Let us go into the **COURTS OF HEAVEN** and receive **VERDICTS** on behalf of our nation! May the legalities of *witchcraft, idol worship, greed, love of money* be dealt with in the courts....

- Let us hand the enemies of South Africa into the **JUST AND FAIR JUDGEMENT OF ALMIGHTY GOD!**

PRAY ALSO FOR THE FOLLOWING:

- Preservation of institution of Public Protector.
- May God deal with corruption, foolishness/incompetence
- Nullify the anarcharistic spirits of violence and voices that are trying to control the nation!
- Pray for the ***Preservation*** of our democracy
- Safeguard our developmental state
- Decrease unemployment, declaring new strategies to grow our economy.

2. Our Cities

Rule of Law / Good governance –

- Governors to rule well, that their rulership and governance would be protected- Ezra 8:36
- Our cities would be rebuilt.... Jeremiah
- Peace in the city – Isaiah 1:7 – as our cities are burning
- Cities overflow with prosperity - Zachariah 1:17

It is the effectual fervent prayer of a RIGHTEOUS NATION that avails much. As we fast and pray, God will hear our prayer!

Isaiah 58:6-8
