

Corona Virus

- ***Ps 78: 65-66 “Then all at once the Almighty awakened as though he had been asleep. Like a mighty man he arose, roaring into action! He blasted into battle, driving back every foe, defeating them in disgrace for time and eternity.”***

At the beginning of the year the Lord said to me that we are entering a decade where, if we look back to what He has done for us in the past, it will look as though He was sleeping. In this new season He will come in a greater measure than ever before. The display of His miracles and power will be exceedingly great. The victories will be greater, but by implication the battles will also be more severe.

The corona-virus has taken the world by storm. No one has expected that it will turn into a world-wide pandemic. But it has. The results of the virus are death, fear, a plunging economy and isolation. None of this carries the tiniest flavour of our Lord. It is clearly a very well-orchestrated attack of the enemy.

- ***Rom 8:10-11 “Now Christ lives His life in you! And even though your body may be dead because of the effects of sin, His life-giving Spirit imparts life to you because you are fully accepted by God. Yes, God raised Jesus to life! And since God’s Spirit of Resurrection***

lives in you, He will also raise your dying body to life by the same Spirit that breathes life into you!”

Let us stand on the TRUTH that God’s Spirit of Resurrection lives in us. This is the foundation of our faith that God had already overcome the world. The corona-virus was overcome at the cross and resurrection of Jesus. We do not have to overcome this virus - we need to resist the enemy so that it can flee.

- ***Rev 12:11 “They conquered him (the accuser of the brethren) completely through the blood of the Lamb and the powerful word of his testimony.”***

Let us use every opportunity when the media reminds us of the pandemic with new statistics to conquer the enemy by declaring the finished work of the blood of the Lamb and testifying that Jesus has the power to destroy the works of the devil.

Let us not lament with the world over the status of the pandemic. Let us declare and prophesy RESURRECTION LIFE to all affected by this virus.

- ***2 Timothy 1:7 “For God will never give you the spirit of fear, but the Holy Spirit who gives you mighty power, love and self-control.”***

Let us denounce the spirit of fear each and every time that we encounter it during this time.

- ***Ps 22: 3 “Yet I know that you are most holy; it’s indisputable. You are God-Enthroned, surrounded with songs, living among the shouts of praise of your princely people.”***

- ***Ps 22:26b “Bring Yahweh praise and you will find Him.”***

In this time where we can easily succumb to despair, especially if we realise the devastating effect that the corona-virus will have on our economy and finances as well - in these circumstances, let us raise a hallelujah in the presence of our enemies. Let us trust God for a display of His power on the world-wide screen, like never before. Let us praise Him until we see the darkness flees. Let us praise Him until we see the restoration of health and wholeness and the restoration of our economy.

- ***Rom 13: 4 Governing authorities are God’s servant for your good.....He is God’s servant.....***

Government has made decisions based on the information at their disposal and we know that these decisions will have a serious impact on our economy. However, governing authorities are appointed by God to be a servant to the people of the country for you good.

Let us honor the government for decisions taken by them. It is clear that the aim thereof is for the good of all South Africans.

Lastly - thank you to every church, every group of believers who has arranged prayer meetings or prayer chains to intercede against this virus and its devastating effects.

2. ESKOM

- ***Prov: 25:5 “And if you purge corruption form the kingdom, a king’s reign will be established in righteousness.”***

God has shown me that there will be a sifting through the corruption investigations at Eskom. All is not as it seems. God says: Look! No, look deeper, what is perceived as the truth in the preliminary investigations is but a veil over the eyes of the people. In My time, the real truth will be revealed and corruption will be purged. My heart for Eskom is that it will be established on justice and righteousness.
